¹Elite Business Savings Accounts require an Elevated OR Elite Business "Operating" Checking Account.

²Elite Public Funds Savings Accounts have a monthly account fee of \$20.00 can be waived if the daily average balance minimum is \$10,000.00.

³Essential Business Savings Accounts have a monthly account fee of \$10.00 can be waived if the daily average balance minimum is \$500.00.

⁴Essential Public Funds Savings Accounts have a monthly account fee of \$10.00 can be waived if the daily average balance minimum is \$500.00.

*APY = Annual Percentage Yield APY is based on daily compounding and assumes interest remains on deposit. APY is determined based on the current interest rate and minimum deposit required to open account. Withdrawal of interest will reduce earnings. There may be a penalty for early withdrawal.
